It's now June; The dive season is well underway.
I have just returned from my 1st wreck trip of the season. Check Dales blog on my web site at

<http://www.sealevelscuba.net/blog.html>
for info on that trip.

This will be a very busy month I have most items listed in this newsletter but I update the calendar on the web daily check it here:
http://www.sealevelscuba.net/dive_calendar.html

Come dive with me:

There are a couple spots open on the June 26th trip & the Aug 7th trip. These dives will be out of Port Sanilac with depth less than 110ffw. Follow the links on the right for more details and what wrecks.

Sea Level Scuba will be returning to Little Cayman Island in 2012: This trip has just been signed: Details are on our web site.
